

FCC Commissioners
The Federal Communications Commission RE: Docket 04-435
445 12th Street, SW
Washington, DC 20554

Dear FCC Commissioners ,

I am writing to voice my support for the FCC's proposal to relax the restrictions on the use of cell phones on airplanes in flight.

The usage of cell phones is analogous to speaking to the person next to you.

The assertion that many have made that cell phone usage could also enable terrorists to coordinate a plan of action is absurd, conservative propaganda.

Please enact your proposal

Sincerely,

john barry
